Dear Mr. Ridout:

Re: Estate of Kathleen Parlow

Just a note to let you know the present state of affairs.

A few weeks ago it came to our attention that the Income Tax Department was re-assessing Miss Parlow's 1962 return because the amount she reported as income from the University of Western Ontario did not correspond with the slip sent to the Department by the University. The matter has been discussed in detail with the Assessor, who is now revising his figures. In due course we will let you know the amount of the additional liability.

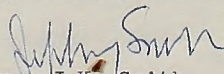

In the meantime, we have deposited to the credit of the Estate bank account the \$203.00 representing the proceeds of sale of part of the Jewellery together with the \$23.58 refund from Bell Telephone.

As soon as the tax situation has been straightened out we can draw a cheque on these funds to pay the additional tax liability and also McTamney's valuation fee and Dr. Stein.

We are sending a copy of this letter to Mr. Cassels so that he may keep his client up to date on developments.

Yours very truly,

DAY, WILSON, CAMPBELL & MARTIN
